

Book an appointment for a covid-19 vaccination

You need to book an appointment for your vaccination. You will be vaccinated at one of Region Värmland's vaccination centres. The vaccination is free of charge. Everyone in Värmland is being offered a vaccine. Those at risk of serious illness are being offered the vaccine first. Read more about when it's your turn at 1177.se.

BOOK AN APPOINTMENT FOR YOUR VACCINATION

You can book your appointment for vaccination against Covid-19 via the 1177.se website or by calling the appointments telephone line.

The number of appointments available is dependent on how many vaccines are available.

You cannot book an appointment through your health centre or the 1177 health care advisory centre by telephone.

BOOK AN APPOINTMENT VIA THE 1177.SE WEBSITE

Log in to 1177.se and search for "Regional vaccination unit Covid-19". To be able to log in, you need either BankID or Freja eID Plus for online identification.

BOOK AN APPOINTMENT BY CALLING 010-831 80 70

If you do not have online identification, you can call and book an appointment by telephone. Call Region Värmland's appointments telephone line for vaccination against Covid-19. The telephone number is 010-831 80 70.

QUESTIONS BEFORE THE VACCINATION

If you answer "yes" to any of the following questions, call the appointments telephone line to make an appointment for vaccination, telephone number 010-831 80 70:

- Have you ever needed hospital care after a vaccination?
- Have you ever needed hospital care for allergic reactions?
- Do you bleed easily due to illness or medicine?

You should not take any other vaccine one week before and one week after you have been vaccinated against covid-19.

If you are pregnant, do not get vaccinated.

BEFORE YOUR VISIT TO THE VACCINATION CENTRE

- Fill in a health declaration and bring it to the reception. The health declaration is available in different languages on the Swedish Public Health Agency's website.
- Bring your ID.
- Wear a short-sleeved garment so that you can be injected easily in your upper arm.
- If you have a cold, rebook another appointment.
- To avoid queues and congestion, do not arrive too early for your appointment.
- Relatives who are not to be vaccinated must wait outside the premises unless you need special support.
- When you receive your first dose of vaccine, you will be given a time for your next dose.

After you have been vaccinated, you must continue to follow the Swedish Public Health Agency's advice to avoid the spread of infection. ►

MORE INFORMATION ABOUT COVID-19 IN DIFFERENT LANGUAGES

If you need more information about Covid-19 in your language, you can:

- Go to the website [1177.se/otherlanguages](https://www.1177.se/otherlanguages)
